Katie Longbrake, New Executive Director of WUMCO Help, Inc.

Katie (Hamm) Longbrake has roots in Western Upper Montgomery County that go back generations. She has lived elsewhere, but this is home for her, so she moved back with her family in 2013. Along the way, Katie attended the College of Wooster in Ohio, worked as Director of Youth Ministries at a church in Tallahassee, FL, married her husband Derek, obtained a Masters in Marriage and Family Therapy, and started a family. They lived for a while in western Pennsylvania, where she was a local activist as well as co-founding a thriving farmers market. Since moving back to Beallsville, Katie has been active volunteering in the local schools. She also runs the Just Lunch program at St. Peter's Episcopal Church, offering a free lunch and a warm welcome to PHS students. Katie cares deeply about the people in WUMCO's reach. She hopes to add to the wonderful work that WUMCO does in our community. Katie has three children ages 14, 12 and 8 and is often found at a soccer field or cross-country meet. Please join us in welcoming Katie to WUMCO by becoming a member today!
